The image depicts a high-end spa facility. On the left, a curved wooden sauna with glass walls is visible. In the center, a large circular pool features a dramatic waterfall cascading from a circular skylight in the ceiling. To the right, a long, narrow pool runs alongside a wall of floor-to-ceiling windows that offer a view of a meticulously landscaped outdoor garden with rocks and mossy plants. The interior walls are finished with light-colored stone or concrete, and the floor is made of large, light-colored tiles. The overall atmosphere is serene and sophisticated.
